## EXPERIENCE

### Co-Founder & Technical Architect, Paladar

Madrid, Spain | Aug 2020 - Dec 2020

Helped launch restaurant tech start-up, and led the technical platforms and designs. Also built Paladar's MVP.

Find my work on my GitHub.

### Design Tech Coordinator, Hart Howerton

New York City, USA | Jan 2019 - Jan 2020

Created digital forms using Jotform, HTML, and CSS. Launched the initiative to improve the firm's data organization and efficiency by incorporating the use of Airtable and JavaScript.

### Project Coordinator, Hart Howerton

New York City, USA | Aug 2017 - Dec 2018

Harmonized between the Marketing, Design Tech, HR, and Graphics teams. Managed the Fellowship Program and External Softwares, such as the Intranet, Digital Asset Programs and others.

### Remote Design Technologist, DH Construcción

Mexicali, Mexico | Sept 2017 - Dec 2019

Operated all digital technologies that promoted efficiency. Managed the Gsuite Account, Domain Ownership. Created graphical templates for administrative docs.

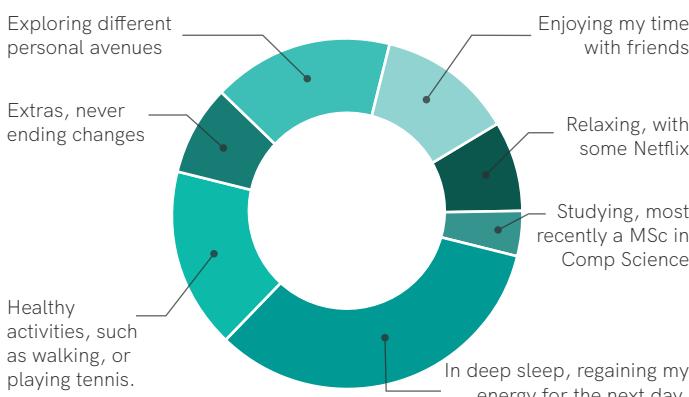

### Administrative Assistant, DH Construcción

Mexicali, Mexico | Dec 2016 - Aug 2017

Assisted with interior and Landscape design, purchasing and organizing directly with vendors and clients.
